The foregoing references to and descriptions of the Stock Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and are

14

However, neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by any of the Reporting Persons that it is a member of a “group” for purposes of Section 13(d) of the Exchange Act or for any other purpose. Each of the Reporting Persons expressly disclaims beneficial ownership of securities held by any other person or entity other than, to the extent of any pecuniary interest therein, the various accounts under such Reporting Person’s management and control.

16

The following is a description of certain terms of the Stockholder Agreement.

Registration Rights. Pursuant to the Stockholder Agreement, Triangle Holdings II was granted shelf registration rights with respect to the PLT Shares and any securities issued in respect of the PLT Shares by way of conversion, dividend, stock split or certain other events. The Stockholder Agreement also provides Triangle Holdings II with piggyback registration rights.

The Lock-Up Restriction shall apply to all PLT Shares for 12 months following the Closing (the “Initial Lock-up Period”). After the 18-month anniversary of the Closing, Triangle Holdings II may Transfer up to two-thirds of the total PLT Shares (including any PLT Shares Transferred in accordance with the preceding sentence). On and after the two-year anniversary of the Closing, the Lock-Up Restriction shall no longer apply, and Triangle Holdings II may Transfer any or all of the PLT Shares. In addition to

the Lock-Up Restriction, Triangle Holdings II may not Transfer PLT Shares to buyers that it knows would be required to file a Schedule 13D with the SEC with respect to the Company.

Effective as of the Closing, in accordance with Triangle Holdings II's rights under the Stockholder Agreement, Frank Baker and Daniel Moloney, each of whom was designated by Triangle Holdings II, were appointed as members of the Board. In general, Triangle Holdings II will continue to have the right to nominate two directors to serve on the Board as long as it owns at least 14% of the PLT Common Stock. For purposes of determining Triangle Holdings II's percentage ownership, only future issuances of PLT Common Stock in which Triangle Holdings II had a right to participate (as described below in "Preemptive Rights") shall be counted as outstanding and not other dilutive issuances.

Standstill. Under the Stockholder Agreement, Triangle Holdings II agreed to certain standstill provisions with respect to the Company, which continue until the three-year anniversary of the Closing Date and for such period thereafter as a Triangle Holdings II nominated director serves on the Board. Among other restrictions, unless otherwise pre-approved in writing by the Board, the standstill generally prohibits Triangle Holdings II from, directly or indirectly, acquiring additional shares of PLT Common Stock, participating in a tender offer, nominating additional directors, voting in opposition to the Company's Board nominees, engaging in certain "group" activity, seeking to control the management or policies of the Company, or initiating litigation against the Company and its personnel.

Preemptive Rights. Subject to certain exceptions, as long as Triangle Holdings II owns at least 5% of the PLT Common Stock, Triangle Holdings II will have preemptive rights with respect to subsequent issuances of PLT Common Stock and other Company securities if the price per share of the newly issued securities is less than \$56.961 (subject to adjustment for stock splits and certain other events).

The foregoing reference to and description of the Stockholder Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the Stockholder Agreement, which is attached hereto as Exhibit 99.3 and incorporated herein by reference.
